## Spectrum Is Gorgeous 2005 Calendar

### Message from Colonel White Commander-in-Chief of Spectrum

I was somewhat apprehensive about this endeavour...but I'm assured it's in a good cause...however, I drew the line at being photographed myself in swimwear - a decision with which I'm sure you are all *infinitely* grateful.

### The photographer: Mary-Sue Mackay-Wells.

And they said he didn't have a sense of humour...ch...it was a tough job...but someone had to do it...and to think I nearly turned down President Younger's kind offer...A little departure from my usual work, but I think you'll agree that the men and women here are definitely the *crème de la crème* of Spectrum. (Or *anywhere* for that matter!.) With these men and women looking after us...we can all sleep well at night...

The pictures within this calendar are obviously montages! I hope they will offend no one, they are intended as an affectionate tribute to our heroes and heroines. All original photos (heads!) of the characters in Captain Scarlet and the Mysterons belong to the companies who own the series. All the body pictures were taken from the website Celebrities-Pictures.com and if there were any copyright issues with using these photographs it was not mentioned on the site. Neither I nor Chris Bishop have made a cent from this...it's purely in a spirit of fun.
