Captain Scarlet unofficial calendar for 2011

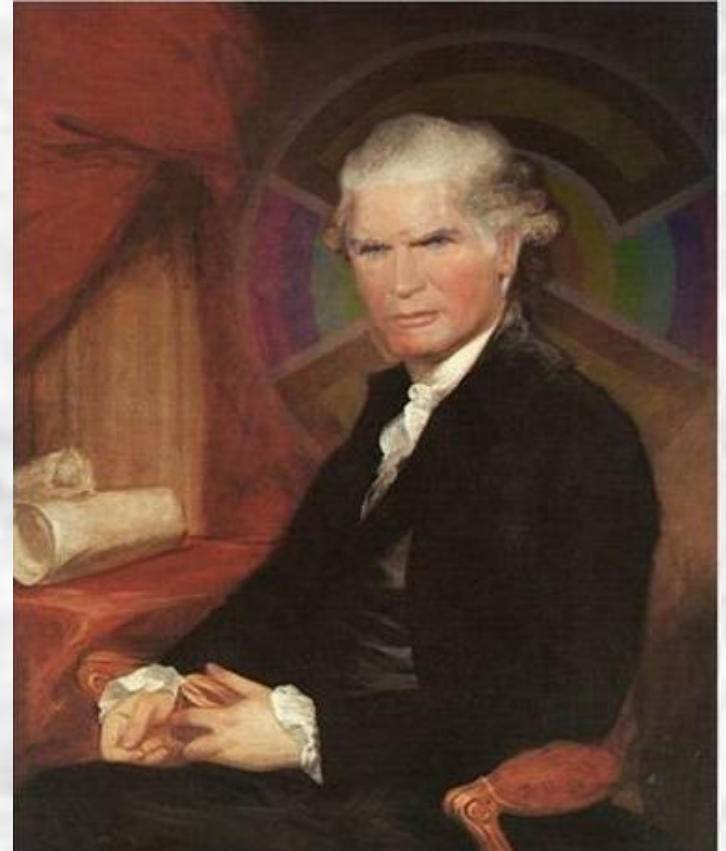

Foreword by Colonel White

Spectrum is not without charm as you know, but we are also not without culture. I am certain you will find this year's calendar contains elements of both.

Naturally, I could not allow my staff to 'sit' for the allotted time necessary to render such artwork (having rather more pressing issues to contend with), therefore our talented artist worked from photographs to produce the adaptations of the classics that you will see on these pages.

As always, I wish you a safe and Mysteron-free year ahead.
