# SUPERMARIONATION IS GO!

*We hope these montages don't cause offence, as they are intended as an affectionate tribute to the heroes and heroines of the Anderson universe. All photos of the character heads and parts of uniforms taken from: 'Fireball XL5' ©, Thunderbirds ©, Stingray ©, 'Captain Scarlet and the Mysterons' © and Joe 90 © belong to the companies who now own these series.*

*Some pictures and backgrounds used to help create the montages were taken from various sources on the 'net, and used without permission.*

*The retro-style backgrounds were taken from freepsdfiles.net*

*All accompanying music is of course by the incomparable Barry Gray, and belongs (we think) to the ATV Music Library which is currently owned by Sony.*

*This calendar is not official and has been done purely in a spirit of fun and for the enjoyment of the fans of Gerry and Sylvia Anderson's wonderful shows. Not a cent has been made from it.*

*We hope they'd be pleased that their creations still inspire us to this day.*

*Brought to you by: Caroline Smith (montages, photo editing, backgrounds, captions, musical arrangements), Marion Woods (beta-reading), Chris Bishop (musical arrangements, web presentation and other formats) and Isabelle Saucier (beta-reading, web presentation).*
