*A Captain Scarlet Calendar for 2019*

# FOREWORD FROM STEVE ZODIAC - COMMANDER OF FIREBALL XL5

I'm not sure what's going on in the higher spheres of the World Government, but from the look of things, I think Commander Zero lost a bet.

Or Colonel White.

Or both.

This *can't* be a serious assignment...

So, anyway, here I am, dressed as Hermes, the messenger of the gods of Olympus, and my mission is to welcome you to the 2019 edition of the annual Captain Scarlet calendar, as, apparently, Colonel White is otherwise occupied...

This year, the theme is astrology, and each month depicts a re-interpretation of the myths that lie behind each Zodiac sign. After dealing with the strange and the unusual, it's time for the men and women of Spectrum to engage in a little fantasy.

May the gods smile upon you this coming year (*I can't believe I'm saying this...*).

*Steve Zodiac*  
(for Colonel White)

## *A Captain Scarlet Calendar for 2019*

*This is the fourteenth year of the Captain Scarlet calendar and only now do we get around to a Zodiacal theme! We sincerely hope this fantastical re-interpretation doesn't cause offence...*

*The characters featured in 'Captain Scarlet and the Mysterons' ©, belong to the companies who own the series. Images and parts of images to create the touched-up montages have been taken from various sources on the web. Some have been used without permission (such as heads and uniforms of the Captain Scarlet characters) but the majority are from Pixabay.com, a free-use website.*
