

Spectrum Previous Vocations

A Captain Scarlet Calendar for 2007

What the men and women of Spectrum did before they
were 'famous'.

Foreword from Colonel White:

Another year, another calendar, and this time we feature our brave men and women in their various careers prior to joining Spectrum. (They, however, insisted that what was good for the goose...So, hence this old photo of me from the World Navy archives... Still...despite that - Enjoy!!!

The pictures within this calendar are obviously montages! We hope they will offend no one, they are intended as an affectionate tribute to our heroes and heroines. All original photos (heads!) of the characters in Captain Scarlet and the Mysterons belong to the companies who own the series. All the body pictures were taken from different sources on the net, and if there were any copyright issues with using these photographs it was not mentioned on the site. Nobody is making a cent from this... It's purely in a spirit of fun.
